MENU UPDATE & REDESIGN

If you were away a lot this summer, you may not have realized that we updated and redesigned our menu! Along with a new look and some new items, we made some changes based on customer feedback, patterns, and trends. The following items have been added: Appetizers- Mini Chicken Cordon Bleus, Steamed Mussels, Potato Skins, The Boat House Sampler, Oysters, Sandwich- BBQ Pork, Entrees- Swordfish "Owen," Sunset Salmon, Vegetable Prima "Bella," The Skipper's Shrimp Scampi, Prime Rib, Broiled Crab cakes, Tuckerton Tuna, Wildwood By The Sea, Dockside Delight, Cape May Capellini and Clams. For description about these and other menu items, check out our website at www.campbellsboathouse.com.

But don't worry, all of your Boat House favorites are still around (Roast Beef, Chili, Shrimp Salad, etc...) Never will we mess with tradition! These original items have been on our menu for over 30 years!

CREW SPOTLIGHT- "A FAMILY AFFAIR"

Here at "The Boat" we take pride in the fact that our staff "crew" is one big family.

Not only do we feel like family to one another, but there are many real inner-family connections on our staff!

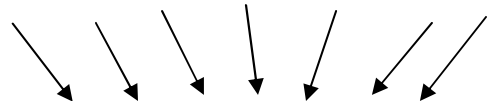

Working together we have: brothers, brothers and sisters, brother and sister in-law, brother in-laws, father and son, father and son in-law, father and daughter, mother and sons, cousins, uncle and niece, uncle and nephew, husband and wife, and last but not least...best friends- before working together and/or after working together.

Not only does it make work more fun, it makes it more special.

Special that we care about one another, help each other out, and share togetherness and closeness that only family can share.

Come visit our Boat House family today!
